

MIND 2017 Summer Internship

Break your way into Telecom Software Engineering

MIND Software is pleased to announce the 2017 Internship Program for FIESC students.

If you want a unique learning experience in one of the most dynamic domains (telecom industry) and to improve your programming skills, please send your resume and a short motivation letter at rojobs@mindcti.com , until June 15th, 2017

Available positions: 10

Period: July 2017

Criteria:

- Student in 3rd or 4th year in Computer Science or related field;
- Interest in programming;
- Good English skills.

Amongst the benefits you will find:

- A flexible program that combines trainings, self learning and exercises;
- For interested attendee we offer the possibility to continue the collaboration through a full time position;
- Personal evaluation and guidance for future technical and soft skills development;
- At the end of the program, you will receive a certificate of attendance.

A photograph of a row of pencils. Most are black with grey erasers, but one red pencil stands out prominently in the center. The text 'That's the MIND Way of Making Business' is overlaid in red on the left side of the image.
